Oct 1913

The Literary and Scientific Society.

University College, Oct 30 1913

President R. A. Falconer,  
University of Toronto.

Dear Dr. Falconer. —

You may remember that I called on you  
a couple of weeks ago with reference to inviting  
Mr. Taft to the University College dinner.

We would like to have you invite Mr.  
Taft for us. We are planning to make the  
dinner this year a special event because it is  
the sixtieth anniversary of the Society, and have  
a committee about to commence work, that intends  
to interest as many graduates as possible to  
make the dinner a re-union.

Principal Hutton approves of the plan  
and also thinks it would be best for you  
to invite Mr. Taft for us.

Of course. Mr. Taft will fix his own date,  
but if you will suggest February, it would  
suit our plans. Thanking you for your interest,  
Yours sincerely,

J. P. Ferguson.
